

**AUTHORIZATION TO FILE DOCUMENTS INCORPORATED
BY REFERENCE BY DESCRIPTION**

Submit this form with the RIS project for the regulatory action to request an exemption from the requirements of filing in full textual material adopted by reference into regulations, or email to varegs@dls.virginia.gov.

Questions, contact Office of the Registrar of Regulations.

❶ Agency: State Board of Health

❷ VAC Number/Chapter Title: 12VAC5-410/Regulations for the Licensure of Hospitals in Virginia

❸ Effective Date of Final Regulation (leave blank for proposed stage):

❹ Name of Document Incorporated by Reference (include edition or effective/revised date):

Guidelines for Design and Construction of Hospitals, The Facility Guidelines Institute, 2022 Edition.

❺ Summary or description of the document incorporated by reference:

The Guidelines for Design and Construction of Hospitals specify minimum design standards for general hospitals, critical access hospitals, rehabilitation hospitals, children's hospitals, and mobile/transportable medical units. The guidelines are updated every 4 years.

❻ Is a copy of the document incorporated by reference in custody of the agency and available to the public for inspection and copying as required by § 2.2-4103? YES NO

❼ Document may be inspected at the following agency location:

VDH Office of Licensure and Certification
9960 Mayland Drive
Suite 401
Henrico, VA 23233

Document may be obtained from the following entity (include website and cost of document):

The Facility Guidelines Institute
shop.fguidelines.org
Digital: \$235 multi-user / \$90 single user
Print: \$235

❽ Explain why it is impractical to file a copy of the document incorporated by reference:

It is impractical to file a copy of the document incorporated by reference because the State Board of Health does not have the permission of the copyright holder (The Facility Guidelines Institute) to republish this work.

❾ Attach a copy of the document cover, title page, and copyright page.
