

## AREAS OF GRADUATE STUDY

This form is to be completed by individuals who are applying for licensure by **EXAMINATION** as a clinical psychologist, school psychologist, or applied psychologist who did not graduate from an APA, NCATE, or NASP accredited institution. This form is also to be used by applicants applying by **ENDORSEMENT** based on less than 10 years of active licensure.

**Applications will not be processed if required information is not listed on this form.**

**Applicant's Name** \_\_\_\_\_ **Social Security/Virginia DMV Control Number** \_\_\_\_\_

Please list in the spaces provided below graduate coursework completed which corresponds to the courses listed below. Indicate course title, course number and number of credit hours received as shown on your graduate transcript. Also indicate on this form any area of study where you cannot specify that coursework was completed, or where it may be unclear from the title of a course that the course content was covered. Practica content areas do not have to be represented by distinct course numbers. One practicum that covers all three content areas is acceptable as long as required hours are met. Catalogue descriptions may be submitted for clarification. If more space is needed, please attach additional sheets.

You are only required to complete the numbers listed below, as applicable to the licensure you are seeking:

**Applied Psychologist applicants complete items 1 - 8 only**

**Clinical Psychologist applicants complete items 2 - 18 only (if graduate program was APA-approved, 2-15 can be left blank)**

**School Psychologist applicants complete items 19-27 only (if graduate programs was APA, NCATE or NASP-approved, 18-22 can be left blank)**
