

AREA OF GRADUATE STUDY VERIFICATION OF REQUIRED COURSEWORK CLINICAL PSYCHOLOGIST

If your degree is not from a program accredited by the APA, CPA, or PCSAS, this form must be submitted to document the courses you would like considered to meet the educational requirements for clinical psychology licensure.

INSTRUCTIONS

Please review the [Regulations Governing the Practice of Psychology](#) for detailed education requirements.

Please indicate the course(s) you would like considered to meet the educational requirements. Core curriculum must contain a minimum of three graduate semester hours or five graduate quarter hours in each of the substantive content areas. **A graduate course cannot be counted for more than one core curriculum content area.** Designate semester hours with a "S" and quarter hours with a "Q". If a course title is not clearly titled on the transcript, please attach college catalog description(s) or course syllabi.

All information provided is subject to Board review and approval. This form must be completed, writing 'see attached documents' will not be accepted and will delay the review of your application.
