- No ☐
- Yes ☐ If yes, complete the [Criminal Conviction Reporting Form](#).

Pursuant to 18VAC15-30-53.F, the applicant certifies that only properly licensed lead abatement supervisors and coworkers will be employed to conduct lead-based paint activities. Our firm, it's owners and/or directors, certify that a licensed lead abatement supervisor will be present at each job site during all the work site preparation and during the post-abatement clean-up, and shall be on site or available and able to present at the work site in no more than two hours when abatement activities are being conducted. The standards for conducting lead-based paint activities established in this chapter and standards established by the EPA and OSHA shall be followed at all times during the conduct of lead-based paint activities. The company is in compliance with all other occupational and professional licenses and standards as required by the Virginia statute and local ordinance to transact the business of a lead abatement contractor.

16. By signing this application, I certify the following statements:
- I am aware that submitting false information or omitting pertinent or material information in connection with this application will delay processing and may lead to license revocation or denial of license.
 - I will notify the Board of any changes to the information provided in this application prior to receiving the requested license, certification, or registration including, but not limited to any disciplinary action or conviction of a felony or misdemeanor (in any jurisdiction).
 - I authorize the Department to verify information concerning me or any statement in this application from any person, or any source the department may desire. I also agree to present any credentials or documents required or requested by the Department.
 - I authorize any federal, state or local government agency, current or former employer, or other individual or business to release information which may be required for a background investigation.
 - I have read, understand and complied with all the laws of Virginia related to this profession under the provisions of Title 54.1, Chapter 5, of the *Code of Virginia* and the *Virginia Board for Asbestos, Lead and Home Inspector; Lead-Based Paint Activities Regulations*.
