### Key

C= Compliant    NC= Non Compliant    NC-R= Non Compliant Repeat Violation    NA= Not Applicable

"Written Response" details the steps taken to correct the deficiency

"Proof of Corrective Action" documents in the form of pictures, receipts for purchases, or written demonstration that corrective steps have been taken

"Corrected on Site" does not require additional response

<b>Licenses and Registrations - All Establishments</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
1	<b>18VAC150-20-30(A)</b>			
	All licenses and registrations issued by the board shall be posted in a place conspicuous to the public or available at the establishment where veterinary services are being provided. Licensees who do relief work in an establishment shall carry a license with them or post at the establishment. Ambulatory veterinary practices that do not have an office accessible to the public shall carry their licenses and registrations in their vehicles. <u>Violation:</u> Minor - 1 point			
2	<b>§ 54.1-3805</b>			
	No person shall practice veterinary medicine or as a veterinary technician in this Commonwealth unless such person has been licensed by the Board. <u>Violation:</u> Major - 5 points			
3	<b>18VAC150-20-70(A)</b>			
	Failure to renew an individual license shall cause a license to lapse and become invalid, and practice with a lapsed license may subject the licensee to disciplinary action by the board. <u>Violation:</u> Major - 5 points			
4	<b>18VAC150-20-185(B)</b>			
	All veterinary establishment registrations are current. Failure to renew a veterinary establishment permit shall cause the permit to lapse and become invalid. <u>Violation:</u> Major - 5 points			

<b>Veterinarian-in-Charge (VIC)</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
5	<p><b>18VAC150-20-180(A)</b></p> <p>Every veterinary establishment shall have a veterinarian-in-charge (VIC) who is registered with the Board in order to operate.</p> <p><u>Violation:</u> Major - 5 points</p>			
6	<p><b>18VAC150-20-181(A)(1)</b></p> <p>Veterinarian-in-Charge is responsible for regularly being on site as necessary to provide routine oversight to the veterinary establishment for patient safety and compliance with law and regulation.</p> <p><u>Violation:</u> Major - 5 points</p>			
7	<p><b>18VAC150-20-181(B)(4)</b></p> <p>Prior to opening of the business, on the date of the change of VIC, the new VIC shall take a complete inventory of all Schedules II through V drugs on hand. He shall date and sign the inventory and maintain it on premises for three years. That inventory may be designated as the official biennial controlled substance inventory.</p> <p><u>Violation:</u> Major - 5 points</p>			
<b>Requirements for drug storage, dispensing, destruction, and records for all veterinary establishments.</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
8	<p><b>18VAC150-20-190(A)</b></p> <p>All drugs shall be maintained, administered, dispensed, prescribed and destroyed in compliance with state and federal laws, which include § 54.1-3303 of the Code of Virginia, the Drug Control Act (§ 54.1-3400 et seq. of the Code of Virginia), applicable parts of the federal Food, Drug, and Cosmetic Control Act (21 USC § 301 et seq.), the Prescription Drug Marketing Act (21 USC § 301 et seq.), and the Controlled Substances Act (21 § 801 et seq.) as well as applicable portions of Title 21 of the Code of Federal Regulations.</p> <p><u>Violation:</u> Major - 5 points</p>			

9	<b>18VAC150-20-190(B)</b> <b>§ 54.1-3461</b> <b>§ 54.1-3462</b>	
	Repackaged tablets and capsules dispensed for companion animals are in approved safety closure containers, except safety caps are not required when medication cannot be reasonably dispensed in such containers. A client requesting non-safety packaging shall be documented in the patient record.	
	<u>Violation:</u> Minor - 1 point	
10	<b>18VAC150-20-190(C)</b> <b>§ 54.1-3410</b>	
	All drugs dispensed for companion animals shall be labeled with the following:	
	<ol style="list-style-type: none"> <li>1. Name and address of the facility;</li> <li>2. First and last name of owner;</li> <li>3. Animal identification and species;</li> <li>4. Date dispensed;</li> <li>5. Directions for use;</li> <li>6. Name, strength (if more than one dosage form exists) and quantity of the drug; and</li> <li>7. Name of the prescribing veterinarian.</li> </ol>	
	<u>Violation:</u> Major - 5 points for no label; or 2 points for an incomplete label.	

11	<p><b>18VAC150-20-190(D)</b></p> <p>All veterinary establishment shall maintain drugs in a secure manner with precaution taken to prevent theft or diversion. Only the veterinarian, veterinary technician, pharmacist, or pharmacy technician shall have access to Schedule II through V drugs with the exception provided in subdivision 6 of this subsection.</p> <p>6. Access to drugs by unlicensed persons shall be allowed only under the following conditions:</p> <ul style="list-style-type: none"> <li>a. Animal is being kept at the establishment outside of the normal hours of operation, and a licensed practitioner is not present in the facility;</li> <li>b. The drugs are limited to those dispensed to a specific patient; and</li> <li>c. The drugs are maintained separately from the establishment's general drug stock and kept in such a manner so they are not readily available to the public.</li> </ul> <p><u>Violation:</u> Major - 5 points</p>		
12	<p><b>18VAC150-20-190(D)(1)</b></p> <p>In a stationary establishment, the general stock of Schedule II through V drugs shall be stored in a securely locked cabinet or safe that is not easily movable.</p> <p><u>Violation:</u> Major - 5 points</p>		
13	<p><b>18VAC150-20-190(D)(2)</b></p> <p>The establishment may also have a working stock of Schedules II through V drugs that shall be kept in (i) a securely locked container, cabinet, or safe when not in use or (ii) direct possession of a veterinarian or veterinary technician. A working stock shall consist of only those drugs that are necessary for use during a normal business day or 24 hours, whichever is less.</p> <p><u>Violation:</u> Major - 5 points</p>		

14	<p><b>18VAC150-20-190(D)(3)</b></p> <p>Whenever the establishment is closed, all general and working stock of Schedules II through V drugs and any dispensed prescriptions that were not delivered during normal business hours shall be securely stored as required for the general stock.</p> <p><u>Violation:</u> Major - 5 points</p>		
15	<p><b>18VAC150-20-190(D)(4)</b></p> <p>Prescriptions that have been dispensed and prepared for delivery shall be maintained under lock or in an area that is not readily accessible to the public and may be delivered to an owner by an unlicensed person, as designated by the veterinarian.</p> <p><u>Violation:</u> Major - 5 points</p>		
16	<p><b>18VAC150-20-190(D)(5)</b></p> <p><b>§ 54.1-3404(E)</b></p> <p>Whenever a theft of or any unusual loss of Schedule II through V drugs is discovered the VIC, or in his absence, his designee, shall immediately report such theft or loss to the Board of Veterinary Medicine and the Board of Pharmacy and to the DEA. The report to the boards shall be in writing and sent electronically or by regular mail. The report the DEA shall be in accordance with 21 CFR 1301.76(b). If the VIC is unable to determine the exact kind and quantity of the drug loss, he shall immediately take a complete inventory of all Schedules II through V drugs.</p> <p><u>Violation:</u> Major - 3 points</p>		

17	<b>18VAC150-20-190(E)</b>		
<p>Schedules II through V shall be destroyed by (i) transferring the drugs to another entity authorized to possess or provide for proper disposal of such drugs or (ii) destroying the drugs in compliance with applicable local, state and federal laws and regulations. If Schedules II through V drugs are to be destroyed, a DEA drug destruction form shall be fully completed and used as the record of all drugs to be destroyed. A copy of the destruction form shall be retained at the veterinary practice site with other inventory records.</p>			
<p><u>Violation:</u> Major - 2 points</p>			
18	<b>18VAC150-20-190(F)</b>		
<p>The drug storage area has appropriate provision for temperature control for all drugs and biologics. If drugs requiring refrigeration are maintained at the facility, they shall be kept in a refrigerator with interior thermometer maintained between 36°F and 46°F. If a refrigerated drug is in Schedules II through V, the drug shall be kept in a locked container secured to the refrigerator, or the refrigerator shall be locked. Drugs stored at room temperature are maintained between 59°F and 86°F.</p>			
<p><u>Violation:</u> Major - 5 points</p>			

19	<p><b>18VAC150-20-190(G)</b></p> <p>The stock of drugs shall be reviewed frequently, and expired drugs shall be removed from the working stock of drugs at the expiration date and shall not be administered or dispensed.</p> <p><u>Violation:</u> Major - 5 points for 6 or more expired drugs; or 4 points for 1-5 drugs expired 60 days or more; or 3 points for 1-5 drugs expired less than 60 days. If expired drugs are found in both less than 60 days or more than 60 day categories, the higher point value of 4 is assigned.</p>		
20	<p><b>18VAC150-20-190(H)</b></p> <p><b>§ 54.1-3404</b></p> <p>A distribution record shall be maintained in addition to the patient's record, in chronological order, for the administering and dispensing of Schedules II through V drugs. The distribution record shall include the following:</p> <ol style="list-style-type: none"> <li>1. Date of transaction.</li> <li>2. Drug name, strength, and the amount dispensed, administered and wasted.</li> <li>3. Owner and animal identification; and</li> <li>4. Identification of the veterinarian authorizing the administration or dispensing of the drug.</li> </ol> <p><u>Violation:</u> Major - 5 points for no record; or 3 points for incomplete record or records not maintained in chronological order.</p>		

21	<b>18VAC150-20-190(I)</b> <b>§ 54.1-3404</b>		
	Original invoices for all Schedules II through V drugs received shall be maintained in chronological order on the premises where the stock of drugs is held and the actual date of receipt shall be noted. All drug records shall be maintained for a period of three years from the date of transaction.		
	<u>Violation:</u> Major - 5 points for no record; or 3 points for an incomplete record or a record not maintained for three years.		
22	<b>18VAC150-20-190(J)</b> <b>§ 54.1-3404</b>		
	A complete and accurate inventory of all Schedules II through V drugs shall be taken, dated, and signed on any date which is within two years of the previous biennial inventory.  The biennial inventory: 1. Must have the drug strength specified. 2. Shall indicate if it was taken at the opening or closing of business. 3. Shall be maintained on premises where the drugs are held for three years from the date of taking the inventory.		
	<u>Violation:</u> Major - 5 points if inventory not done within two years of the previous inventory and/or is missing required information; or 3 points if the inventory is only missing required information.		
23	<b>18VAC150-20-190(K)</b>		
	Inventories and records, including original invoices, of Schedule II drugs shall be maintained separately from all other records, and the establishment shall maintain a continuous inventory of all Schedule II drugs received, administered, or dispensed, with reconciliation at least monthly. Reconciliation requires an explanation noted on the inventory for any difference between the actual physical count and the theoretical count indicated by the distribution records. A continuous inventory shall accurately indicate the physical count of each Schedule II drug in the general and working stocks at the time of performing the inventory.		
	<u>Violation:</u> Major - 5 points if inventory not done monthly and/or is missing required information; or 3 points if the inventory is only missing required information.		

24	<b>18VAC150-20-190(L)</b>			
<p>Every veterinary establishment licensed by the Board of Veterinary Medicine shall maintain records of the dispensing of feline buprenorphine and canine butorphanol, reconcile such records monthly, and make such records available for inspection upon request.</p>				
<p><u>Violation:</u> Major - 5 points for no record; or 3 points for incomplete record(s).</p>				
25	<b>18VAC150-20-190(N)</b>			
<p>If a limited stationary or ambulatory practice uses the facilities of another veterinary establishment, the drug distribution log shall clearly reveal whose Schedules II through V drugs were used. If the establishment's drug stock is used, the distribution record shall show that the procedure was performed by a visiting veterinarian who has the patient record. If the visiting veterinarian uses his own stock of drugs, he shall make entries in his own distribution record and in the patient record and shall leave a copy of the patient record at the other establishment.</p>				
<p><u>Violation:</u> Major - 5 points for no record; or 3 points for incomplete record(s).</p>				
<b>Bulk Reconstitution of Injectable, Bulk Compounding or Prepackaging</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
26	<b>18VAC150-20-190(M)</b>			
<p>Veterinary establishments in which bulk reconstitution of injectable, bulk compounding or the prepackaging of drugs is performed shall maintain adequate control records for a period of one year or until the expiration, whichever is greater.</p>				
<p>Reconstitution, compounding and prepackaging records shall show the following:</p>				
<ol style="list-style-type: none"> <li>1. Name of the drugs used;</li> <li>2. Strength, if any;</li> <li>3. Date repackaged;</li> <li>4. Quantity prepared;</li> <li>5. Initials of the veterinarian verifying the process;</li> <li>6. Assigned lot or control number;</li> <li>7. Manufacturer's or distributor's name and lot or control number; and</li> <li>8. Expiration date.</li> </ol>				
<p><u>Violation:</u> Major - 2 points</p>				

Patient/Medical Recordkeeping		Result	Response	Notes
27	<p><b>18VAC150-20-200(A)(6)(f)</b></p> <p>All veterinary establishments must have storage for records.</p> <p><u>Violation:</u> Major - 2 points</p>			
28	<p><b>18VAC150-20-195(A)</b></p> <p>A legible, daily record of each patient treated shall be maintained at the veterinary establishment and shall include at a minimum:</p> <ol style="list-style-type: none"> <li>1. Name of the patient and the owner;</li> <li>2. Identification of the treating veterinarian and of the person making the entry (Initials may be used if a master list that identifies the initials is maintained.);</li> <li>3. Presenting complaint or reason for contact;</li> <li>4. Date of contact;</li> <li>5. Physical examination findings;</li> <li>6. Tests and diagnostics performed and results;</li> <li>7. Procedures performed, treatment given, and results;</li> <li>8. Drugs administered, dispensed or prescribed, including quantity, strength and dosage, and route of administration. For vaccines identification of the lot and manufacturer shall be maintained;</li> <li>9. Radiographs or digital images clearly labeled with identification of the establishment the patient name, date taken, and anatomic specificity. If an original radiograph or digital image is transferred to another establishment or released to the owner, a records of this transfer or release shall be maintained on or with the patient's records; and</li> <li>10. Any specific instructions for discharge or referrals to other practitioners.</li> </ol> <p><u>Violation:</u> 5 points for no records; or 3 points for only missing required information.</p>			
29	<p><b>18VAC150-20-195(B)</b></p> <p>An individual record shall be maintained on each patient, except that records for economic animals or litters of companion animals under the age of four months may have records maintained on a per owner basis. Patient records, including radiographs or digital images, shall be kept for a period of three years following the last office visit or discharge of such animal from a veterinary establishment.</p> <p><u>Violation:</u> 3 points if individual records not maintained on each patient; and/or 1 point if records not maintained for required time period.</p>			

30	<b>18VAC150-20-195(C)</b> An initial rabies certificate for an animal receiving a primary rabies vaccination shall clearly display the following information: "An animal is not considered immunized for at least 28 days after the initial or primary vaccination is administered." <u>Violation:</u> Major - 2 points			
<b>All Veterinary Establishments</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
31	<b>18VAC150-20-130(C)</b> When there is a veterinary preceptee or extern practicing in the establishment, the supervising veterinarian shall disclose such practice to owners. The disclosure shall be by signage clearly visible to the public or by inclusion on an informed consent form. <u>Violation:</u> Minor - 1 point			
<b>All Stationary Veterinary Establishments</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
32	<b>18VAC150-20-200(D)</b> A separate establishment registration is required for separate practices that share the same location. <u>Violation:</u> Major - 5 points			
<b>Establishments Performing Surgery</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
33	<b>18VAC150-20-200(A)(2)(c)</b> The areas within the facility shall include a room that is reserved only for surgery and used for no other purpose. <u>Violation:</u> Minor - 1 point			
34	<b>18VAC150-20-200(A)(2)(c)(1)</b> The surgery room shall have walls constructed of nonporous material and extending from the floor to ceiling. <u>Violation:</u> Minor - 1 point			
35	<b>18VAC150-20-200(A)(2)(c)(2)</b> The surgery room shall be of a size adequate to accommodate a surgical table, anesthesia support equipment, surgical supplies, and all personnel necessary for safe performance of the surgery. <u>Violation:</u> Minor - 1 point			
36	<b>18VAC150-20-200(A)(2)(c)(3)</b> The surgery room shall be kept so that storage in the surgery room shall be limited to items and equipment normally related to surgery and surgical procedures. <u>Violation:</u> Minor - 1 point			
37	<b>18VAC150-20-200(A)(2)(c)(4)</b> The surgery room shall have a surgical table made of non-porous material.			

	<u>Violation:</u> Minor - 1 point		
38	<b>18VAC150-20-200(A)(2)(c)(5)</b>		
	The surgery room shall have surgical supplies, instruments, and equipment commensurate with the kind of services provided.		
	<u>Violation:</u> Minor - 1 point		
39	<b>18VAC150-20-200(A)(2)(c)(6)</b>		
	The surgery room shall have surgical and automatic emergency lighting to facilitate performance of procedures.		
	<u>Violation:</u> Minor - 1 point		
40	<b>18VAC150-20-200(A)(2)(c)(7)</b>		
	The surgery room for establishments that perform surgery on small animals, have a door to close off the surgery room from other areas of the practice.		
	<u>Violation:</u> Minor - 1 point		
41	<b>18VAC150-20-180(A)(3)</b>		
	Any addition or renovation of a stationary establishment or ambulatory establishment that involves changes to the structure or composition of a surgery room shall require reinspection by the board and payment of the required fee prior to use.		
	<u>Violation:</u> Minor - 1 point		

Laboratory		Result	Response	Notes
42	<p><b>18VAC150-20-200(A)(3)</b></p> <p>The veterinary establishment shall have, at a minimum, proof of use of either in-house laboratory service or outside laboratory services for performing lab tests, consistent with appropriate professional care for the species being treated.</p> <p><u>Violation:</u> Major - 5 points</p>			
Housing		Result	Response	Notes
43	<p><b>18VAC150-20-200(A)(4)(a)</b></p> <p>For housing animals, the establishment shall provide an animal identification system at all times when housing an animal.</p> <p><u>Violation:</u> Minor - 1 point</p>			
44	<p><b>18VAC150-20-200(A)(4)(b)</b></p> <p>For housing animals, the establishment shall provide accommodations of appropriate size and construction to prevent residual contamination or injury.</p> <p><u>Violation:</u> Minor - 1 point</p>			
45	<p><b>18VAC150-20-200(A)(4)(c)</b></p> <p>For housing animals, the establishment shall provide accommodations allowing for the effective separation of contagious and noncontagious patients.</p> <p><u>Violation:</u> Minor - 1 point</p>			
46	<p><b>18VAC150-20-200(A)(4)(d)</b></p> <p>For housing animals, the establishment shall provide exercise areas that provide and allow effective separation of animals or walking the animals at medically appropriate intervals.</p> <p><u>Violation:</u> Minor - 1 point</p>			

Radiology		Result	Response	Notes
47	<p><b>18VAC150-20-200(A)(5)</b></p> <p>A veterinary establishment shall either have radiology service in-house or documentation of outside service for obtaining diagnostic-quality radiographs.</p> <p><u>Violation:</u> Minor - 1 point</p>			
48	<p><b>18VAC150-20-200(A)(5)(a)</b></p> <p>If radiology is in-house, the establishment shall document that radiographic equipment complies with Part VI (12VAC5-481-1581 et seq.), Use of Diagnostic X-Rays in the Healing Arts, of the Virginia Radiation Protection Regulations of the Virginia Department of Health.</p> <p><u>Violation:</u> Major - 5 points</p>			
49	<p><b>18VAC150-20-200(A)(5)(b)</b></p> <p>If radiology is in-house, maintain and utilize lead aprons and gloves and individual radiation exposure badges for each employee exposed to radiographs.</p> <p><u>Violation:</u> Major - 5 points</p>			

Minimum Equipment		Result	Response	Notes
50	<b>18VAC150-20-200(A)(6)(a)</b>			
	Minimum equipment in the establishment shall include an appropriate method of sterilizing instruments.			
	<u>Violation:</u> Minor - 1 point			
51	<b>18VAC150-20-200(A)(6)(b)</b>			
	Minimum equipment in the establishment shall include internal and external sterilization monitors.			
	<u>Violation:</u> Minor - 1 point			
52	<b>18VAC150-20-200(A)(6)(c)</b>			
	Minimum equipment in the establishment shall include a stethoscope.			
	<u>Violation:</u> Minor - 1 point			
53	<b>18VAC150-20-200(A)(6)(e)</b>			
	Minimum equipment in the establishment shall include adequate means of determining patient's weight.			
	<u>Violation:</u> Minor - 1 point			

<b>Stationary Veterinary Establishments - Open 24 hours/day</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
1	<b>18VAC150-20-200(B)(1)</b>			
	A stationary establishment that is open to the public 24 hours a day shall have licensed personnel on premises at all times and shall be equipped to handle emergency critical care and hospitalization. The establishment shall have radiology/imaging and laboratory services available on site.  <u>Violation:</u> Major - 5 points			
<b>Buildings and Grounds</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
2	<b>18VAC150-20-200(A)(1)</b>			
	Buildings and ground must be maintained to provide sanitary facilities for the care and medical well-being of patients.  <u>Violation:</u> Major - 2 points			
3	<b>18VAC150-20-200(A)(1)(a)</b>			
	Temperature, ventilation, and lighting must be consistent with the medical well-being of patients.  <u>Violation:</u> Minor - 1 point			
4	<b>18VAC150-20-200(A)(1)(b)(1)</b>			
	There shall be on premises hot and cold running water of drinking quality, as defined by the Virginia Department of Health.  <u>Violation:</u> Minor - 1 point			

5	<b>18VAC150-20-200(A)(1)(b)(2)</b>		
There shall be on premises an acceptable method of disposal of deceased animals, in accordance with any local ordinance or state and federal regulations.			
<u>Violation:</u> Minor - 1 point			
6	<b>18VAC150-20-200(A)(1)(b)(3)</b>		
There shall be on premises refrigeration exclusively for carcasses of companion animals that require storage for 24 hours or more.			
<u>Violation:</u> Minor - 1 point			
7	<b>18VAC150-20-200(A)(1)(c)</b>		
Sanitary toilet and lavatory shall be available for personnel and owners.			
<u>Violation:</u> Minor - 1 point			
8	<b>18VAC150-20-200(A)(2)(a)</b>		
The areas within the facility shall include a reception area separate from other designated rooms.			
<u>Violation:</u> Minor - 1 point			
9	<b>18VAC150-20-200(A)(2)(b)</b>		
The areas within the facility shall include an examination room or rooms containing a table or tables with nonporous surfaces.			
<u>Violation:</u> Minor - 1 point			

Minimum Equipment		Result	Response	Notes
10	18VAC150-20-200(A)(6)(d)			
	Minimum equipment in the establishment shall include equipment for delivery of assisted ventilation appropriate to the species being treated, including endotracheal tubes.			
	<u>Violation:</u> Minor - 1 point			

<b>Stationary Veterinary Establishments - Open &lt; 24 hours/day</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
1	<p><b>18VAC150-20-200(B)(2)</b> <b>§ 54.1-3806.1</b></p> <p>A stationary establishment that is not open to the public 24 hours a day shall have licensed personnel available during its advertised hours of operation and shall disclose to the public that the establishment does not have continuous staff, in compliance with § 54.1-3806.1 of the Code of Virginia.</p> <p><u>Violation:</u> 3 points for missing form; and/or 1 point if form not compliant.</p>			
<b>Buildings and Grounds</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
2	<p><b>18VAC150-20-200(A)(1)</b></p> <p>Buildings and ground must be maintained to provide sanitary facilities for the care and medical well-being of patients.</p> <p><u>Violation:</u> Major - 2 points</p>			
3	<p><b>18VAC150-20-200(A)(1)(a)</b></p> <p>Temperature, ventilation, and lighting must be consistent with the medical well-being of patients.</p> <p><u>Violation:</u> Minor - 1 point</p>

<u>Violation:</u> Minor - 1 point			
9	<b>18VAC150-20-200(A)(2)(b)</b>		
The areas within the facility shall include an examination room or rooms containing a table or tables with nonporous surfaces.			
<u>Violation:</u> Minor - 1 point			

Minimum Equipment		Result	Response	Notes
10	<b>18VAC150-20-200(A)(6)(d)</b>			
	Minimum equipment in the establishment shall include equipment for delivery of assisted ventilation appropriate to the species being treated, including endotracheal tubes.			
	<u>Violation:</u> Minor - 1 point			

<b>Stationary Veterinary Establishments - Limited</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
1	<b>18VAC150-20-200(C)</b>			
	When the scope of practice is less than full service, a specifically limited [stationary] establishment registration shall be required. Such establishments shall have posted in a conspicuous manner the specific limitations on the scope of practice on a form provided by the board.			
	<u>Violation: Minor - 1 point</u>			
2	<b>18VAC150-20-200(B)(2)</b> <b>§ 54.1-3806.1</b>			
	A stationary establishment that is not open to the public 24 hours a day shall have licensed personnel available during its advertised hours of operation and shall disclose to the public that the establishment does not have continuous staff, in compliance with § 54.1-3806.1 of the Code of Virginia.			
	<u>Violation: 3 points for missing form; and/or 1 point if form not compliant.</u>			
<b>Buildings and Grounds</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
3	<b>18VAC150-20-200(A)(1)</b>			
	Buildings and ground must be maintained to provide sanitary facilities for the care and medical well-being of patients.			
	<u>Violation: Major - 2 points</u>			

4	<b>18VAC150-20-200(A)(1)(a)</b>			
	Temperature, ventilation, and lighting must be consistent with the medical well-being of patients.			
	<u>Violation:</u> Minor - 1 point			
5	<b>18VAC150-20-200(A)(1)(b)(1)</b>			
	There shall be on premises hot and cold running water of drinking quality, as defined by the Virginia Department of Health.			
	<u>Violation:</u> Minor - 1 point			
6	<b>18VAC150-20-200(A)(1)(b)(2)</b>			
	There shall be on premises an acceptable method of disposal of deceased animals, in accordance with any local ordinance or state and federal regulations.			
	<u>Violation:</u> Minor - 1 point			
7	<b>18VAC150-20-200(A)(1)(b)(3)</b>			
	There shall be on premises refrigeration exclusively for carcasses of companion animals that require storage for 24 hours or more.			
	<u>Violation:</u> Minor - 1 point			
8	<b>18VAC150-20-200(A)(1)(c)</b>			
	Sanitary toilet and lavatory shall be available for personnel and owners.			
	<u>Violation:</u> Minor - 1 point			

9	<b>18VAC150-20-200(A)(2)(a)</b>			
	The areas within the facility shall include a reception area separate from other designated rooms.  <u>Violation:</u> Minor - 1 point			
10	<b>18VAC150-20-200(A)(2)(b)</b>			
	The areas within the facility shall include an examination room or rooms containing a table or tables with nonporous surfaces.  <u>Violation:</u> Minor - 1 point			
<b>Minimum Equipment</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
11	<b>18VAC150-20-200(A)(6)(d)</b>			
	Minimum equipment in the establishment shall include equipment for delivery of assisted ventilation appropriate to the species being treated, including endotracheal tubes.  <u>Violation:</u> Minor - 1 point			

<b>Ambulatory Veterinary Establishments - Agricultural and Equine Establishments</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
1	<b>18VAC150-20-201(A)</b> An agricultural or equine ambulatory establishment is a mobile practice in which health care is performed at the location of the animal. Surgery may be performed as part of an agricultural or equine ambulatory practice provided the establishment has surgical supplies, instruments, and equipment commensurate with the kind of surgical procedures performed. <u>Violation:</u> Major - 5 points			
<b>Ambulatory Veterinary Establishments - House Call or Proceduralist Establishment</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
2	<b>18VAC150-20-201(B)</b> A house call or proceduralist establishment is an ambulatory practice in which health care of small animals is performed at the residence of the owner of the small animal or another establishment registered by the board. A veterinarian who has established a veterinarian-owner-patient relationship with an animal at the owner's residence or at another registered veterinary establishment may also provide care for that animal at the location of the animal. <u>Violation:</u> Major - 5 points			
3	<b>18VAC150-20-201(B)(1)</b> A house call or proceduralist practice may only perform surgery in a surgical suite at a registered establishment that has passed inspection. However, surgery requiring only local anesthetics may be performed at a location other than in a surgical suite. <u>Violation:</u> Major - 5 points			

<b>Ambulatory Veterinary Establishments - Mobile Service</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
<b>18VAC150-20-201(C)</b>				
A mobile service establishment is a veterinary clinic or hospital that can be moved from one location to another and from which veterinary services are provided. A mobile service establishment shall meet all the requirements of a stationary establishment appropriate for the services provided.				
<u>Violation:</u> Major - 5 points				
<b>Buildings and Grounds</b>		<b>Result</b>	<b>Response</b>	<b>Notes</b>
<b>1</b>	<b>18VAC150-20-200(A)(1)</b>			
	Buildings and ground must be maintained to provide sanitary facilities for the care and medical well-being of patients.			
	<u>Violation:</u> Major - 2 points			
<b>2</b>	<b>18VAC150-20-200(A)(1)(a)</b>			
	Temperature, ventilation, and lighting must be consistent with the medical well-being of patients.			
	<u>Violation:</u> Minor - 1 point			
<b>3</b>	<b>18VAC150-20-200(A)(1)(b)(1)</b>			
	There shall be on premises hot and cold running water of drinking quality, as defined by the Virginia Department of Health.			
	<u>Violation:</u> Minor - 1 point
