

**VIRGINIA BOARD OF MEDICINE
CONTINUED COMPETENCY ACTIVITY AND ASSESSMENT FORM**

The Law

In 1997, the General Assembly of Virginia passed a law (§ 54.1-2912.1) to ensure the continued competency of practitioners licensed by the Board of Medicine. It directed the Board to include in its regulations continuing education, testing, and/or any other requirement which would address the following: a) the need to promote ethical practice, b) an appropriate standard of care, c) patient safety, d) application of new technology, e) appropriate communication with patients and f) knowledge of the changing health care system.

Rationale for the Regulation

The Virginia Board of Medicine recognizes that the professional responsibility of practitioners requires *continuous learning* throughout their careers, appropriate to the individual practitioner's needs. The Board also recognizes that practitioners are responsible for choosing their own continuing education and for evaluating their own learning achievement. *The regulation of the Board is designed to encourage and foster self-directed practitioner participation in education.*

What is "Continuing Learning"? - Continuing learning includes processes whereby practitioners engage in activities with the conscious intention of bringing about changes in attitudes, skills, or knowledge, for the purpose of identifying or solving ethical, professional, community or other problems which affect the health of the public.

Content of the Regulation

Number of Hours Required:

In order to renew an active license **biennially**, on or after January 1, 2005, the practitioner must complete the CONTINUED COMPETENCY ACTIVITY AND ASSESSMENT FORM, which is provided by the Board and must indicate completion of at least **20 hours of continuing respiratory therapy education as approved and documented by a sponsor recognized by the AARC.**

Maintenance and audit of records:

The CONTINUED COMPETENCY ACTIVITY AND ASSESSMENT FORM must be used for recording continuing learning activities. The practitioner is required to retain in his or her records the **completed form with all supporting documentation** for a **period of four years** following the renewal of an active license.

The Board will periodically conduct a **random audit** of one to two percent of its active licensees to determine compliance. The practitioners selected for the audit must provide the completed CONTINUED COMPETENCY ACTIVITY AND ASSESSMENT FORM and any supporting documentation within 30 days of receiving notification of the audit.
