SECTION II: COMPLETED BY THE PHYSICIAN

This evaluation is needed to determine the degree of impairment so that the rehabilitation counselor may determine ability, an employment objective, and a plan of service(s). Please review with the customer all positive responses to the screened history recorded on the front of this form, and record additional history, findings, and your opinion as to whether they have current significance or need further study. Please note any discrepancy between apparent medical status and customer statement or handicap. Please discuss your findings with the customer.
