Authorization to File Documents Incorporated by Reference by Description – Summary of Document

Agency: Board of Agriculture and Consumer Services
Regulation: 2 VAC 5-585 *et seq.*, *Retail Food Establishment Regulations*
Document Incorporated by Reference: NSF/ANSI 18-2006 Manual Food and Beverage Dispensing Equipment (2006)

This Standard contains requirements for equipment and devices that manually dispense food or beverages, in bulk or in portions. The materials, design, and construction requirements of this Standard may also be applied to an item that is manufactured as a component of food and beverage dispensing equipment. This Standard does not apply to vending machines, dispensing freezers, or bulk milk dispensing equipment covered by the scope of other NSF Standards.

Dispensing equipment components and materials covered under other NSF or NSF/ANSI Standards or Criteria shall also comply with the requirements therein. This Standard is not intended to restrict new unit design, provided such design meets the minimum specifications described herein.
