TO: Grade A or Manufactured Grade Dairy Farm Permit Holders
Subject: Notice of Opportunity to Request a Fact-Finding Conference

Pursuant to § 2.2-4019 of the Code of Virginia (1950), as amended, you have the right to appear before the agency in person, by counsel, or by other qualified representative at a fact-finding conference for the informal presentation of factual data, argument, and proof to appeal this determination of violation. Unless an Official Notice has been issued with respect to this violation, no action against your permit will be taken if the deficiencies noted are corrected. Should you wish to have a fact-finding conference convened, please notify Program Supervisor, Dairy Services Program, Office of Dairy and Foods, Virginia Department of Agriculture and Consumer Services, 102 Governor Street, Suite 155, Richmond, Virginia, 23219 in writing within thirty days after the date of this inspection.

§ 2.2-4019. Informal fact finding proceedings.

A. Agencies shall ascertain the fact basis for their decisions of cases through informal conference or consultation proceedings unless the named party and the agency consent to waive such a conference or proceeding to go directly to a formal hearing. Such conference-consultation procedures shall include rights of parties to the case to (i) have reasonable notice thereof, (ii) appear in person or by counsel or other qualified representative before the agency or its subordinates, or before a hearing officer for the informal presentation of factual data, argument, or proof in connection with any case, (iii) have notice of any contrary fact basis or information in the possession of the agency that can be relied upon in making an adverse decision, (iv) receive a prompt decision of any application for a license, benefit, or renewal thereof, and (v) be informed, briefly and generally in writing, of the factual or procedural basis for an adverse decision in any case.

B. Agencies may, in their case decisions, rely upon public data, documents or information only when the agencies have provided all parties with advance notice of an intent to consider such public data, documents or information. This requirement shall not apply to an agency's reliance on case law and administrative

§ 2.2-4021. Timetable for decision; exemptions.

A. In cases where a board or commission meets to render (i) an informal fact-finding decision or (ii) a decision on a litigated issue, and information from a prior proceeding is being considered, persons who participated in the prior proceeding shall be provided an opportunity to respond at the board or commission meeting to any summaries of the prior proceeding prepared by or for the board or commission.

B. In any informal fact-finding or formal proceeding in which a hearing officer is not used or is not empowered to recommend a finding, the board, commission, or agency personnel responsible for rendering a decision shall render that decision within 90 days from the date of the informal fact-finding or formal proceeding or from a later date agreed to by the named party and the agency. If the agency does not render a decision within 90 days, the named party to the case decision may provide written notice to the agency that a decision is due. If no decision is made within 30 days from agency receipt of the notice, the decision shall be deemed to be in favor of the named party. The preceding sentence shall not apply to case decisions before (i) the State Water Control Board or the Department of Environmental Quality to the extent necessary to comply with the federal Clean Water Act, (ii) the State Air Pollution Control Board or the Department of Environmental Quality to the extent necessary to comply with the federal Clean Air Act, or (iii) the Virginia Soil and Water Conservation Board or the Department of Conservation and Recreation to the extent necessary to comply with the federal Clean Water Act. An agency shall provide notification to the named party of its decision within five days of the decision.

C. In any informal fact-finding or formal proceeding in which a hearing officer is empowered to recommend a finding, the board, commission, or agency personnel responsible for rendering a decision shall render that decision within 30 days from the date that the agency receives the hearing officer's recommendation. If the agency does not render a decision within 30 days, the named party to the case decision may provide written notice to the agency that a decision is due. If no decision is made within 30 days from agency receipt of the notice, the decision is deemed to be in favor of the named party. The preceding sentence shall not apply to case decisions before (i) the State Water Control Board or the Department of Environmental Quality to the extent necessary to comply with the federal Clean Water Act, (ii) the State Air Pollution Control Board or the Department of Environmental Quality to the extent necessary to comply with the federal Clean Air Act, or (iii) the Virginia Soil and Water Conservation Board or the Department of Conservation and Recreation to the extent necessary to comply with the federal Clean Water Act. An agency shall provide notice to the named party of its decision within five days of the decision.

D. The provisions of subsection B notwithstanding, if the board members or agency personnel who conducted the informal fact-finding or formal proceeding are unable to attend to official duties due to sickness, disability, or termination of their official capacity with the agency, then the timeframe provisions of subsection B shall be reset and commence from the date that either new board members or agency personnel are assigned to the matter or a new proceeding is conducted if needed, whichever is later. An agency shall provide notice within five days to the named party of any incapacity of the board members or agency personnel that necessitates a replacement or a new proceeding.
